# MEAL PLAN BREAKDOWN

## ANNUAL COST
- Total meal plan cost per year.

## SWIPES PER WEEK
- Swipe Meal Plans offer a certain number of swipes for each week.
- Swipes can be used for entrance to all-you-care-to-eat locations including '85 North, Cactus Grill, and Radicchio.
- Swipes can also be used at all other dining locations at a value of $10 per swipe.

## DINING DOLLARS
- Dining Dollars work just like a debit card, deducting the amount of a purchase from the student’s Dining Dollar balance.
- Dining Dollars can also be used for any vending on campus.

## CATCA$H
- CatCa$h works like a debit card specifically for non-food purchases on-campus.
- CatCa$h is the only way to pay for laundry in the dorms.
- Select retailers off-campus also accept CatCa$h as a form of payment.

## GUEST MEALS
- Guest Meals are a set number of swipes included for family & friends to dine with the swipe plan holder on campus.

## Combo usage of Swipe, Dining Dollars, and/or CatCa$h available at all dining locations.
